About Me

Dynamic full-stack developer with experience at Sinthan AI Academy, specializing in GenAI-driven applications. Proficient in HTML, CSS, JavaScript, and Python, I excel in AI integration and project management. Successfully implemented advanced features using LLMs, showcasing strong problem-solving and communication skills to enhance application functionality.

Experience

FULL STACK GEN AI INTERN

June 2025 - July 2025

SINTHAN AI ACADEMY - CHENNAI, INDIA

Developed GenAI-driven full-stack applications utilizing modern front-end and back-end tools. Implemented features utilizing LLMs, fine-tuning, and Retrieval-Augmented Generation. Conducted real-world development tasks, including extensive code reviews. Integrated AI with frontend interfaces and backend APIs to enhance application functionality.

Course Recommendation Platform

January 2025 - March 2025

PROJECT 2

An AI-powered online course platform with tutor options for knowledge sharing among peers

InvestIQ

November 2024 - December 2024

PROJECT 1

An AI-driven financial recommendation platform developed collaboratively with colleagues.

AI ML Internship

January 2024 - March 2024

CORIZO

Gained foundational knowledge of machine learning models alongside hands-on application.
